

# THE COLLEGE OF NEW ROCHELLE

## SCHOOL OF NURSING & HEALTHCARE PROFESSIONS

### *Pharmacy Technician Certification*

**THE PHARMACY TECHNICIAN CERTIFICATION PROGRAM** is ideal for students who want to enter this rapidly growing field of healthcare. The College of New Rochelle offers a valuable learning opportunity that combines an equal emphasis on classroom study and practical experience to build the strongest all-around foundation.

According to the Bureau of Labor Statistics, nearly 50,000 new pharmacy technician positions are expected to become available across the country in the next several years, making this the ideal time to enter this career path. In just a few months, you can earn your pharmacy technician certification and join this in-demand profession.

#### OPEN THE DOOR TO A NEW CAREER

The Pharmacy Technician Certification program is designed to provide you with the knowledge and skills needed for employment in a pharmacy, in a capacity that involves filling prescription orders under the direction of a pharmacist. The course offers extensive preparation for the Pharmacy Technician Certification Exam (PTCE), which is a requirement for professional practice. Once you have completed the program, which takes place from June 7 through August 30 at the College's Rosa Parks Campus in Harlem, you are eligible to take the certification exam and begin an exciting new future.

#### PROGRAM DETAILS

The program is 160 hours of training, which consists of 80 hours of theory and 80 hours of externships at an institution and a local retail community pharmacy. The externship will be arranged by the course facilitator upon successful completion of classes.

#### ADMISSION REQUIREMENTS

Candidates need a high school diploma or its equivalent to be considered for admission.

#### TUITION

Program tuition is \$2,500, with a deposit of \$1,500 due at the time of registration. This does not include the cost of the textbooks, practice exam, or lab coat.
