

THE COLLEGE OF NEW ROCHELLE GRADUATE SCHOOL

*Academic Excellence,
Practical Skills, and Meaningful Careers*

With **AN ADVANCED DEGREE** from the Graduate School or School of Nursing, you can successfully enter or advance in fast-growing and rewarding fields such as: Education, Public Administration, Nursing, Art Therapy, Communications, Counseling, and School Psychology, among others.

Our master's degrees, advanced certificates and advanced diplomas, are structured to provide you with the knowledge and skills you need to move onto the fast track in your chosen field. Take on new challenges and opportunities immediately upon graduation and find success and fulfillment in your career.

FLEXIBLE SCHEDULES AND SMALL CLASSES

A strong support network is essential to Graduate School success. The College of New Rochelle is well known for its invaluable support systems in key areas such as financial aid, faculty advising, and career development. At both our Graduate School and School of Nursing, you will find responsive faculty and staff who will work with you to achieve your educational goals.

We offer flexible schedules, with classes offered evenings, weekends, during intensive summer sessions, and online classes, providing working adults with the opportunity to pursue advanced degrees.

Our campus offers everything required for success, putting the tools you need to complete your coursework at your fingertips.
