- 3:15-3:45pm** The Clinical Adjunct Hiring Intake Process –
- 3:45-4:30pm (and afterwards)** – Interviews and application processing:

Please bring hiring documents if you are interested in teaching for CNR in the future, but not necessary to attend workshop (resume/cv; valid nursing license; passport OR social security card and driver's license)

Please RSVP if possible by the day before the session. As long as one party RSVPs, you may bring a last minute friend/colleague! Email Michele Paulis-Brucale at [mpaulisbrucale@cnr.edu](mailto:mpaulisbrucale@cnr.edu)

We are recruiting adjunct faculty for clinical teaching at New Rochelle & our Harlem Campus:

- Foundations of Nursing Lab/Clinical
- Health Assessment Lab
- Women Health/Maternity
- Adult/Gerontological I, II, (both General Med/Surg) and III (High Acuity Care/In Patient Gerontology Units)
- Pediatrics
- Psychiatric Mental Health
- Community Health

We have clinicals Fall, Spring, & Summer (8-10 weeks) Monday-Saturday and would like to explore Sunday clinicals too. Many adjuncts do double clinicals: 7-1pm and 2-8pm at the same site. We are in need of adjuncts who can work in upper Westchester, The Bronx, Harlem, Upper West Side and other areas. **We will also have a table advertising our Post-Master's Certificate in Nursing Education (21-30 credits – Advanced Pathophysiology, Pharmacology, & Advanced Health Assessment can be transferred in).**

*If already have experience in clinical teaching, you may contact Harriet Rothman, RN, BSN, Undergraduate Clinical Placement Coordinator at: [hrothman@cnr.edu](mailto:hrothman@cnr.edu) or 914-654-5454 for an intake interview*
