The College of New Rochelle was founded in 1904 by the Ursuline Order as the first Catholic college for women in New York State. Today, the College serves a student population of nearly 4,000 students. In addition to the School of Arts and Sciences, which remains all-women, the College has three co-educational schools: the Graduate School, established in 1969; the School of New Resources, in 1972; and the School of Nursing, in 1976. The College’s main campus is in New Rochelle, with six branch campuses of the School of New Resources located throughout the New York metropolitan area.

Contributions from Trustees, graduates and friends have always supported CNR’s mission. The importance of the life of the spirit and a reverence for the individual are hallmarks of an Ursuline value-based education. These characteristics are manifest in a College of New Rochelle education today. The College’s primary purpose is the intellectual development of persons through the maintenance of the highest standards of academic excellence and educational growth. From this tradition, the College derives its dedication to the education of women and men in the liberal arts and in professional studies. The College reaches out to those who have not previously had access to higher education and places particular emphasis on the concept of lifelong learning.

Charitable donations allow the College to build upon its commitment and mission as an educational institution by providing academic scholarships, grants, financial aid, and technology enhancements. Similarly, revenue from contributions is used for physical plant renovations, special programs, and curriculum development.

Gifts to the College include cash, appreciated securities, capital donations, real estate, charitable gift annuities, charitable remainder trusts, endowed funds, and bequests.

When The College of New Rochelle is included in estate plans through a planned gift or a bequest, thoughtful donors reduce their taxes, protect their assets, and in some cases generate income. By reaching beyond their own lives to assure opportunities for future generations, CNR’s donors shape the future and make a critical difference in the College’s ability to fulfill its mission.

For additional information about making a gift to The College of New Rochelle, please call the Office of College Advancement at (914) 654-5917.

DEAR MEMBERS OF THE COLLEGE OF NEW ROCHELLE COMMUNITY,

At The College of New Rochelle, we remain united and strengthened by mission, yet we also recognize the importance of transforming the College through strategic, innovative, and sustainable initiatives to meet the current needs of students in today’s ever-changing landscape of higher education. I am excited by all that we have accomplished and all that is yet to come.

The statistics and donor lists in this report reflect the success of fiscal year 2014, bolstered by another year of positive operating results for the College. This accomplishment, which now spans nearly 40 consecutive years, is a reflection of our commitment to prudent fiscal management as responsible stewards of this educational institution.

In addition to the gifts that so many of you provided for our students and faculty last year, our financial position was further strengthened by the $10.5 million sale of the South Bronx building we had owned and occupied. As the year came to a close in June, we monetized our building on 149th Street in the South Bronx. Leasing back four floors for the John Cardinal O’Connor Campus gives us ample space for our current student population and sufficient space for growth and expansion. Proceeds from the sale were invested in the College’s endowment fund and earnings on that investment will be utilized for addressing CNR’s future needs.

As you know, the College’s strategic planning process has resulted in a collaborative, clear vision of CNR’s most important priorities: 21st Century Academics, Enrollment Management, Optimizing Resources, One CNR, and Branding and Identity. We are now well into the implementation phase of the Strategic Plan, so I am expanding my report to you to include fiscal year 2015 so that you have the most current information on our progress. Again, this Annual Report includes the results of our 2014 operating year and recognizes the support you provided last year.

I am also eager to share with you many exciting initiatives already underway in 2015 or beginning to take shape at the College. As I hope you know, we began the 2015 operating year with extraordinary news: the receipt of two significant federal grants totaling $14 million from the U.S. Department of Education. These two grants expanded our revenue sources and provided substantial momentum for the implementation of the strategic plan.

The grants – a $10 million Title III grant and a $4 million Fund for the Improvement of Postsecondary Education (FIPSE) grant – are the largest in the College’s history and will revolutionize our ability to deliver outstanding educational opportunities and achieve superior student outcomes at all of our campuses. A key component of both grants is the establishment of programs and facilities to support student success.

Aimed at first year undergraduates, the development of student success communities will create teams comprised of faculty, librarians, and student services staff who will intervene to resolve issues that inhibit a student in pursuing his or her degree and progressing to graduation. The establishment of Learning Commons at each of our campuses will enable us to promote active, engaged learning. These learning, research, and project spaces will include areas for group work and tools to support creative efforts, while on-staff specialists provide assistance to students.

A new pilot program, Mentoring, Undergraduate Research, and Augmented Libraries (MURAL) will incorporate a research-infused curricula and support services to further strengthen how students use technology, information, and language efficiently and effectively. The Title III grant also provides funding to renovate and expand our science facilities to better prepare students in nursing, science, and mathematics as well as in other high demand STEM disciplines.

INNOVATIVE PARTNERSHIPS
When I became president in 2011, addressing much needed improvements to technology at CNR was among my top priorities. Through the generous support of Ellen Mooney
Hancock ’65, we have formed a unique shared-services collaboration with Marist College that has greatly accelerated the completion of CNR’s strategic objectives in technology.

Marist is a technology-rich institution with tremendous expertise, and their Board, led by Ellen, is comprised of top industry experts who lend invaluable guidance to their IT process. Through this innovative model, both institutions benefit. We are able to leverage Marist’s technology proficiency — proficiency that would take CNR many years and significant funds to replicate, while Marist continues to advance their technology leadership role in higher education.

This collaboration has thus far resulted in the College’s new website (www.cnr.edu), which was launched in late 2014 and is a critical communications vehicle to articulate our mission and identity and to fully support recruitment for CNR’s four Schools. Our website is now hosted on Marist’s servers in an environment that applies the highest industry standards for data storage and security while utilizing the latest functionality.

The second phase of this collaboration is now underway, as we prepare to transition our finance operations to the Banner enterprise resource planning system, using funds from the Title III grant to support technology infrastructure and Marist’s expertise to accelerate the project timeline. Integrating all student-related functions, including registration, financial aid, and academic advisement on the Banner system will be the next phase in this endeavor. This consolidation of systems into a single platform will allow us to enhance data integrity, improve efficiency, provide consistent and timely service for CNR’s constituents, and save valuable resources.

ACADEMIC EXPANSION

Bringing educational opportunities beyond the Main Campus in New Rochelle has long been a hallmark of The College of New Rochelle, beginning in the 1970s with the formation of our campuses for the School of New Resources, which are located throughout New York City. We have expanded those opportunities recently to offer graduate and nursing programs at some of our city campuses.

We are now moving even further ahead to establish a number of new partnerships that demonstrate the entrepreneurial spirit of our administrators, faculty, and staff who are deeply committed to finding innovative ways to continue to
advance the College. Recently, we announced a partnership with John S. Burke Catholic High School in Orange County to offer our master’s in public administration program there. In the coming months, we will begin offering our adult learner degree program at a site in downtown Yonkers, and we are working with the New York City Department of Corrections to provide a mental and behavioral training symposium for their corrections officers. Another partnership between CNR, Queens College, and the New York State Education Department will provide leadership certification and training for educators who work with special language learner populations in the Westchester and Northern Bronx region.

The College of New Rochelle was the first private college in the Mid-Hudson region to be designated as a START-UP NY location. As part of this program, we will establish a partnership with a business in the field of “high-technology” that aligns with the College’s academic mission. Through our participation in this program, our students will benefit from internships and experiential learning opportunities. The College has designated space in Maura Hall for use by the business that is eventually chosen. The business would then renovate the space where they can stay for up to 10 years.

EXPERIENCED LEADERSHIP
Paramount to our success is ensuring that we have administrators with the unique skills, knowledge, and experience to lead the College in the years ahead. Over the past year, the executive team was strengthened with several new positions and personnel. Dr. Colette Geary has taken on the newly created role of Senior Vice President for Strategic Initiatives, working across the institution to facilitate, advance, and administer our strategic planning initiatives. Dr. Betty Roberts joined the College as Vice President for Finance and Administration, bringing with her more than 30 years’ experience in managing operations within collegiate environments.

Enrollment management is an important priority, and it was essential to have a highly qualified individual with extensive experience in admissions and recruitment to oversee that area and institutional priority. We found that leader in Kevin Cavanagh, now Vice President for Enrollment Management. Elaine White, who came to CNR in 2012 with more than 20 years of leadership experience in student services, was promoted to Vice President for Student Services, and Tiffani Blake has been named our new Dean of Students. As an alumna who is mission-centered with a wealth of student development knowledge and experience, she is uniquely qualified for this position. We also welcomed a new dean to the School of Nursing, Dr. H. Michael Dreher. A seasoned professional with a strong record of leadership, Dr. Dreher’s extensive background in undergraduate and graduate education, program development, integration of care technology, and online learning will greatly enhance our School of Nursing programs.

STUDENT SUCCESS
One of the most rewarding aspects of leading this mission-centered college is the time I spend with our students, either at small gatherings or at large events. I am so proud of their accomplishments and inspired by their commitment to earning their degrees and to improving their lives and the lives of their families. We continue to share these student experiences with our Trustees throughout the academic year. Each year, I have the occasion to preside over honors convocations in the Schools of Arts & Sciences, Nursing, and New Resources, recognizing hundreds of students for their outstanding academic achievement. One such example is Michelle Goyke, now a junior in the School of Arts & Sciences. An honors student and communication arts major, Michelle has presented at honors conferences, most recently in Gettysburg, PA. She is also editor-in-chief of Tatler, our college newspaper; the editor of Femmes d’Esprit, the Honors
I am excited by all of the new opportunities and doors that are opening for the College, our students, our graduates, and the communities we serve.

Program magazine; a tutor in the writing center; vice president of her class; and she is a student ambassador giving tours to prospective students!

For the fifth consecutive year, the College has been named to the President’s Higher Education Community Service Honor Roll, the highest federal recognition a college or university can receive for its commitment to volunteering, service-learning, and civic engagement. We are extremely proud that thousands of our students participate in service opportunities each year, including environmental cleanups, trips for disaster relief, volunteering with Habitat for Humanity, conducting Midnight Runs to New York City to help the homeless, serving meals at HOPE Soup Kitchen, teaching English as a second language at the Adult Learning Center, and volunteering with senior adults in assisted living programs in New Rochelle.

In addition, CNR was ranked #75 nationwide by Washington Monthly out of nearly 700 colleges and universities. Washington Monthly rates schools based on their contribution to the public good in the categories of social mobility, research, and service.

Twice annually, we recognize students who have demonstrated exceptional service to the College and their communities with Serviam awards on Founder’s Day and Ursuline Service Awards at the Celebration of the Feast of St. Angela. These occasions always make me so proud of our students and our Ursuline heritage.

Vivian Rosario, a student in the School of New Resources, is another outstanding student we honored this year. In 2014, Vivian participated in the CNR Plunge Service Trip to establish the first library at a secondary school in rural western Haiti. After the Plunge, she facilitated an additional book drive for the school, and then returned to Haiti alone to visit an orphanage and donate clothing, school supplies, and toys to the children in the Port-Au-Prince community. Currently, she is organizing a program so that homeless students from the Bronx can travel to Haiti to perform service work with Haitian students.

Our student-athletes have also given us much to celebrate over the last few years. Having won their Hudson Valley Intercollegiate Athletic Conference (HVIAC) championships last year, both our basketball and volleyball teams were selected for the Eastern College Athletic Conference (ECAC) Division III Metro Championships, the first postseason tournament for the Blue Angels since the 1985-86 season. The volleyball team also repeated as HVIAC tournament champions and won the HVIAC regular season title with a perfect record in conference play. The Blue Angels volleyball team has now won four conference tournaments and two regular season championships over the last six years.

What I have shared above is a snapshot of all that we have to celebrate at The College of New Rochelle. I hope that this review has inspired you as much as it does me. I am excited by all of the new opportunities and doors that are opening for the College, our students, our graduates, and the communities we serve. I look forward to sharing more about our progress on the strategic planning priorities which will have a significant impact on CNR over the next several years.

Your generous support is integral to our continued success. Thank you once again for all you have done and continue to do. I am very grateful.

Sincerely,

Judith A. Huntington
President

DEAR GRADUATES AND FRIENDS,

On behalf of the Board of Trustees, I express my gratitude to each of you who participated in the 2014 Annual Fund. Thousands of graduates and friends continued to support our students and faculty, and many of you have done so consistently for more than 20 years. Everyone at CNR is very grateful for your loyalty and generosity, and I am happy to express my appreciation on their behalf.

As you know, the Annual Fund is a vital resource for the millions of dollars we provide in scholarships each year. Your gift is put to work right away assisting many deserving students. Every gift matters and I can assure you that each student who benefits from your help is very grateful for the assistance you provide with your donation. In 2014, more than 3,000 graduates, friends, faculty, and staff contributed $3 million to the College. And I am especially proud to report that 1,740 of you are Fidelis Society members which means you have been consistent annual donors for 10 or more years! We also had 229 President’s Circle donors who provided more than $1.4 million in support. CNR continued its celebration of Sr. Dorothy Ann Kelly, OSU with another Women of Leadership Gala last March, honoring four outstanding alumnae. I encourage you to look through the pages of this report for more details.

Bequests to CNR last year totaled $1,039,000. These donors thoughtfully planned for the distribution of some of their assets to the College and we couldn't be more grateful. Over the last 30 years, the College has received increasingly more revenue from bequests and other planned gifts. In the last 10 years alone, gifts from bequests have averaged more than $900,000 each year! I would be remiss if I didn't ask you to consider this type of contribution to CNR in your plans as well.

Happily, we had almost the same number of donors in 2014 as we did the previous year. The cumulative effect of each of your gifts is more significant than you might think! Thank you again very much.

As CNR continues to fulfill its educational mission, we recognize how vital and important you are to our overall success. I look forward to seeing your name on these pages again in 2015.

With gratitude and appreciation,

Lillian Brennan Carney SAS’69
Chair, Development Committee
Board of Trustees

The 2014 Trustee Gala celebrated the achievements and life of Sister Dorothy Anne Kelly, OSU, 11th president of The College of New Rochelle, recognizing 25 years of service as president. The Gala generated $200,000 in revenue to assist CNR students and facilities. Special thanks to President Huntington, Trustees, vendors, corporations, graduates, friends, faculty, and staff whose contributions to this event made it both memorable and successful.

PARTNERS FOR EXCELLENCE GIFT SOCIETIES

Partners for Excellence is a College-wide effort to engage students, faculty, staff, graduates, and friends in a meaningful and mutually beneficial relationship to provide for the current and future health of the College. Financial support is one critical cornerstone of a strong and vibrant learning community.

We thank all our partners for excellence who so generously and consistently support the College, its mission, and most importantly its students.

Donor recognition societies were created to express our deep appreciation to our most generous donors and our most loyal donors via special listings and membership in the St. Angela Society, Mother Irene Gill Society, and the Fidelis Society.

ST. ANGELA SOCIETY
($1 MILLION+ LIFETIME GIVING)

St. Angela Merici founded the Ursuline Order. CNR was originally named The College of St. Angela in 1906 by its Ursuline foundresses. Over the past century, St. Angela’s history and legacy have been kept alive through the vaility of the College’s mission, and on campus in the naming of Angela Residence Hall, the celebration of the Feast of St. Angela annually in January, and the bronze statue of St. Angela Merici on the New Rochelle campus.

With profound gratitude, we recognize these donors whose cumulative lifetime giving to all funds has provided foundational and transformational support for the growth and development of The College of New Rochelle.

MOTHER IRENE GILL SOCIETY
($500,000 – $999,999 Lifetime Giving)

Mother Irene Gill (1860-1935), recognized for her leadership skills and commitment to the education of women, was a religious leader, academic administrator, and founder of The College of Saint Angela (changed in 1910 to The College of New Rochelle). Under her leadership, the College became the fifth Catholic women’s college in the country and the first in New York State.

The College is extraordinarily grateful to the following donors whose cumulative lifetime giving to all funds has generously supported the College for so many years, providing critical funding for CNR’s growth and expansion.

EXTRAORDINARY GIVING
($100,000 – $499,999 LIFETIME)

We proudly list all individuals who have made cumulative lifetime gifts of $100,000 to $499,999 to The College of New Rochelle. It is with gratitude that we acknowledge this distinguished group of graduates and friends for the exceptional gifts they have shared with the College throughout the years.

Membership in The President’s Circle—CNR’s most prestigious Annual Fund donor recognition society—is granted to donors whose gifts to the Annual Fund total $1,500 or more each year (July 1 to June 30). Matching gifts are included in the donor’s gift total.

Leadership gifts are critical to the financial health of the College and can be used where the need is greatest or where the donor requests their contribution to be used. These contributions provide for an academically rich educational experience.

In 2014, 229 members of The President’s Circle gave more than $1,380,000 to the Annual Fund. With great appreciation, we thank these graduates and friends and welcome them into one of the following President’s Circle donor recognition societies.

**THE PRESIDENT’S CIRCLE ASSOCIATE MEMBERS**
Special recognition as a President’s Circle Associate Member is extended to any recent graduate (1 to 12 years since graduation) whose total Annual Fund giving, including corporate matches, meets the following criteria: for graduates 1-4 years from graduation, a total gift of $250+; for graduates 5-9 years from graduation, a total gift of $500+; for graduates 10-12 years from graduation, a total gift of $750+. At any time, a President’s Circle Associate may join The President’s Circle with a gift of $1,500 or more. CNR is grateful for these recent graduates who are our leadership donors.

1–4 YEARS $250+
Anthony Hill SNR’13
Uvalyn Brown Samuels SNR’13

5–9 YEARS $500+
Susanne Pino Lebrija SNR’05
Jennifer Ludwig SNR’05

10-12 YEARS $750+

**THANK YOU!**
The College of New Rochelle thanks its many donors listed in this report who have contributions between July 1, 2013 and June 30, 2014. If we have inadvertently misspelled your name or if your name has been omitted, please accept our apologies and call Jennifer Mahoney, Director of Annual Giving, at (800) 474-4232 or email at jmahoney@cnr.edu, so the correction can be made to our records.

THANK YOU!
The College of New Rochelle thanks its many volunteers who serve in various capacities. The College continues to thrive because of your dedicated service.
Gifts to the Annual Fund are used to meet the College’s greatest current needs—items not covered by tuition, but necessary to a CNR education. Giving to the Annual Fund is one direct way to be a ‘partner for excellence’ and help the College and its students.

Your partnership at any level of giving will make a difference, ensure CNR’s future, maintain its tradition of excellence in education and create opportunities. We are particularly grateful to the following members of our Annual Fund donor recognition societies.

ANNUAL FUND GIFT SOCIETIES

QUARTERLY
THANK YOU!
The College of New Rochelle thanks its many graduates and friends who have remembered the College in their estate plans. If you have done so and would like to be enrolled in our Heritage Society, please call Eileen Niedzwiecki, Major Gifts and Planned Giving Officer at (800) 474-4232.
ANNUAL FUND GIFTS

The alumnae/i, parents and friends of The College of New Rochelle are vital participants in the well-being of the College, for it is their support each year that makes new programs, equipment, and scholarships possible. The College is grateful for the generosity and loyalty of its many donors. Thank you!

ALUMNAE/I ASSOCIATION MISSION STATEMENT

Dedicated, hardworking and visionary people have brought The College of New Rochelle through a century of excellence in education. For the College to continue as a vibrant, thriving institution, it is our alumnae/i who will allow us to realize our hopes and aspirations for the future through their presence, wisdom and partnership. Our alumnae/i are living examples of the mission of CNR and it is your investment in the College that will ensure all students will have access to wisdom for life.

OTHER GIFTS

In addition to gifts to the Annual Fund, the generosity of our alumnae/i, and friends is expressed through other gifts to the College: restricted gifts for special purposes or programs; gifts in-kind, endowed gifts, estate gifts and capital gifts. We also receive funding from state and federal government programs along with corporations and foundations in support of CNR initiatives and ongoing programs. Corporate matching gifts provide an additional significant source of revenue. We are ever grateful to our donors who take advantage of them to benefit the College.

Manager Database Operations

SENATE REPRESENTATIVES 2013-2014
Marie-Helene Raho GS’76  
Faith Ritchie SAS’69
A scholarship recipient at CNR, Michelle Goyke is an honors student and communication arts major in the School of Arts & Sciences. During her first semester at CNR, a friend approached her to write The Tatler. From that start as a contributor, she soon became a staff writer, and this fall is the student newspaper’s editor in chief.

She is also taking the helm of Femmes d’Esprit, the magazine of the College’s Honors Program. Published four times a year, it provides an outlet for creative and scholarly writing and art work.

The Honors Program has afforded her other opportunities as well. She leapt at the chance to take part in the Northeast Regional Honors Council’s annual conference, held in Niagara Falls. Michelle and fellow Honors student Catherine Baudendistel led a roundtable discussion on “The Borders of Sanity: Do We Really Need that Xanax?” The presentation tackled the over prescription of mental health medication, and came out of the fall Honors seminar American Anxieties.

Michelle also uses her skills to help fellow students one-on-one, as a tutor for the Writing Center. She served as secretary of her sophomore class and is her junior class’ vice president. Plus, she gives tours of the campus as a student ambassador.

After graduation, Michelle plans to go to graduate school. “I love to learn,” she says.

“Without my scholarship, I wouldn’t be attending college right now.”
— MICHELLE GOYKE SAS’16

Scholarships continue to be a vital resource for our students. Your gift to the Annual Fund helps students like Michelle earn their degrees. To contribute to the Annual Fund and support scholarships, please use the enclosed envelope or make a gift online through our secure website at www.mycnr.com/makeagift.
